## B - Main business activity

### 1. Please describe the nature of your business.

To ensure that you have received the appropriate questionnaire, you are asked to describe the nature of your business. The description should briefly state the main activities of your business unit.

### 2. Please check the one main activity which most accurately represents your main source of revenue.

Below is a description of each main activity.

#### Travel agencies

Establishments primarily engaged in acting as agents for tour operators, transportation companies and accommodation establishments in selling travel, tour and accommodation services to the general public and commercial clients.

#### Tour operators/wholesalers

Establishments primarily engaged in arranging, assembling and marketing tours, generally through travel agencies.

## C - Reporting period information

Please report information for your **fiscal year** (normal business year) **ending between** April 1, 2012 and March 31, 2013. Please indicate the reporting period covered by this questionnaire.

## D - Revenue

A detailed breakdown may be requested in other sections.

### 1. Sales of goods and services (e.g., rental and leasing income, commissions, fees, admissions, services revenue) Report net of returns and allowances.

Sales of goods and services are defined as amounts derived from the sale of goods and services (cash or credit), falling within a business's ordinary activities. Sales should be reported net of trade discount, value added tax and other taxes based on sales.

#### Include:

- sales from Canadian locations (domestic and export sales);
- transfers to other business units or a head office of your firm.

#### Exclude:

- transfers into inventory and consignment sales;
- federal, provincial and territorial sales taxes and excise duties and taxes;
- intercompany sales in consolidated financial statements.

### 2. Grants, subsidies, donations and fundraising

Please report contributions received during the reporting period.

#### Include:

- non-repayable grants, contributions and subsidies from all levels of government;
- revenue from private sector (corporate and individual) sponsorships, donations and fundraising.

### 3. Royalties, rights, licensing and franchise fees

A royalty is defined as a payment received by the holder of a copyright, trademark or patent.

Please **include** revenue received from the sale or use of all intellectual property rights of copyrighted musical, literary, artistic or dramatic works, sound recordings or the broadcasting of communication signals.

### 4. Investment income (dividends and interest)

## Sales by destination

Please provide a breakdown of your total operating revenue by destination in Canadian dollars.

This includes a breakdown of revenues received for destinations within Canada, US and all other destinations.

## G - Personnel

To fully measure the contribution of all human capital in this industry, we require information on the number of partners and proprietors as well as the number and classification of workers.

### 1. Number of partners and proprietors, non-salaried (if salaried, report at question 2 below)

For unincorporated businesses, please report the number of partners and proprietors for whom earnings will be the net income of the partnership or proprietorship.

### 2. Paid employees

#### a) Average number of paid employees during the reporting period

To calculate the average number employed, add the number of employees in the last pay period of each month of the reporting period and divide this sum by the number of months (usually 12).

#### Exclude:

- partners and proprietors, non-salaried reported at question 1 above.

#### b) Percentage of paid employees (from question 2a) who worked full time

Full-time employment consists of persons who usually work 30 hours or more per week. Please specify the percentage of paid employees who have been working full time by rounding the percentage to the nearest whole number.

### 3. Number of contract workers for whom you did not issue a T4, such as freelancers and casual workers (estimates are acceptable)

Contract workers are not employees, but workers contracted to perform a specific task or project in your organization for a specific duration, such as self-employed persons, freelancers and casual workers. These workers are not issued a T4 information slip. Please report the number of contract workers employed by your organization during the fiscal year.

## H - Sales by type of client

This section is designed to measure which sector of the economy purchases your services.

Please provide a percentage breakdown of your sales by type of client.

Please ensure that the sum of percentages reported in this section equals 100%.

### 1. Clients in Canada

#### a) Businesses

Percentage of sales sold to the business sector should be reported here.

**Include:**

- sales to Crown corporations.

#### b) Individuals and households

Please report the percentage of sales to individuals and households who do not represent the business or government sector.

#### c) Governments, not-for-profit organizations and public institutions (e.g., hospitals, schools)

Percentage of sales to federal, provincial, territorial and municipal governments should be reported here.

**Include:**

Please ensure that the sum of percentages reported in this section equals 100%.

The percentage in question 14 must equal question 2 in section H.

## J - International transactions

This section is intended to measure the value of international transactions on goods, services, and royalties and licences fees. It covers **imported services and goods** purchased outside Canada as well as the value of **exported services and goods** to clients/customers outside Canada. Please report also royalties, rights, licensing and franchise fees paid to and/or received from outside Canada. Services cover a variety of industrial, professional, trade and business services.

## K - Provincial/territorial distribution

This section is intended to collect information on the locations operated by your business during the reporting period.

Please report the number of business units or locations operating in Canada during the reporting period. Business unit is defined as the lowest level of the firm for which accounting records are maintained for such details as revenue, expenses and employment.

Please report data for the provinces or territories in which you have business units and indicate if you are reporting in Canadian dollars **or** percentages.

## General information

### Survey purpose

Statistics Canada conducts this survey to obtain detailed and accurate data on this industry, which is recognised as being an important contributor to the Canadian economy. Your responses are critically important to produce reliable statistics used by businesses, non-profit organizations and all levels of government to make informed decisions in many areas.

The information from this survey can be used by your business to benchmark your performance against an industry standard, to plan marketing strategies or to prepare business plans for investors. Governments use the data to develop national and regional economic policies and to develop programs to promote domestic and international competitiveness. The data are also used by trade associations, business analysts and investors to study the economic performance and characteristics of your industry.

### Data-sharing agreements

To reduce respondent burden, Statistics Canada has entered into data-sharing agreements with provincial and territorial statistical agencies and other government organizations, which have agreed to keep the data confidential and use them only for statistical purposes. Statistics Canada will only share data from this survey with those organizations that have demonstrated a requirement to use the data.

**Section 11** of the *Statistics Act* provides for the sharing of information with provincial and territorial statistical agencies that meet certain conditions. These agencies must have the legislative authority to collect the same information, on a mandatory basis, and the legislation must provide substantially the same provisions for confidentiality and penalties for disclosure of confidential information as the *Statistics Act*. Because these agencies have the legal authority to compel businesses to provide the same information, consent is not requested and businesses may not object to the sharing of the data.

For this survey, there are **Section 11** agreements with the provincial and territorial statistical agencies of Newfoundland and Labrador, Nova Scotia, New Brunswick, Quebec, Ontario, Manitoba, Saskatchewan, Alberta, British Columbia, and the Yukon.

The shared data will be limited to information pertaining to business establishments located within the jurisdiction of the respective province or territory.

**Section 12** of the *Statistics Act* provides for the sharing of information with federal, provincial or territorial government organizations. Under **Section 12**, you may refuse to share your information with any of these organizations by writing a letter of objection to the

Chief Statistician and returning it with the completed questionnaire. Please specify the organizations with which you do not want to share your data.

For this survey, there are **Section 12** agreements with the statistical agencies of Prince Edward Island, the Northwest Territories and Nunavut.

For agreements with provincial and territorial government organizations, the shared data will be limited to information pertaining to business establishments located within the jurisdiction of the respective province or territory.

### **Record linkages**

To enhance the data from this survey, Statistics Canada may combine it with information from other surveys or from administrative sources.

**Please note that Statistics Canada does not share any individual survey information with the Canada Revenue Agency.**
