## INTRODUCTION

1. Question text in **bold** font is read to the respondent. Text in normal font is not read to the respondent. Interviewer instructions are prefaced by the word "INTERVIEWER", and are not read aloud.
2. Question text in **bold** font enclosed by brackets ( ) is read to the respondent at the discretion of the person asking the questions.
3. In this text, the use of the masculine is generic and applies to both men and women. Please note that during the actual interview, the questions were personalized to be appropriate to the gender of the respondent.
4. Question text enclosed in square brackets [ ] is dynamic and in most cases will vary depending on the age and sex of the respondent.
5. The options "Don't Know" (DK) and "Refusal" (RF) are allowed on every question unless otherwise stated. However, the response categories are shown in this document only when the flow from these responses is not to the next question.
